

Travel to GSSC by public transport? Relax and enjoy the ride...

Shepparton and Mooroopna students of Greater Shepparton Secondary College benefit from a bonus: FREE bus travel to and from school

The Victorian Government first approved free travel in 2020 to ease the transition to GSSC and its new campus at Hawdon St. More than three years on, and with students now firmly established at their new secondary school, travel entitlements will gradually return to normal.

In the meantime, please note these student benefits:

- ✓ **Free public transport travel will be extended for a further year**, to accommodate incoming Year 7 students
- ✓ **Existing GSSC students will continue to enjoy free public transport travel** for their entire secondary education journey
- ✓ If you are an incoming student with a brother or sister at GSSC, you will **enjoy free public transport travel while your older siblings are at school**

From 2025, travel entitlements for new students enrolling at GSSC will be the same as other government schools across the state.

For more information on public transport, timetables, the School Bus Program for rural students and hardship assistance, go to [GSSC bus information](#).
