

Mobile Phone Policy & More Information

USEFUL LINKS

GSSC's policy around mobile phones is straightforward: ***if brought to school, they must be switched off and stored securely during the school day.*** At GSSC, we prefer students not bring mobile phones to school at all.

So it's simple - ***switch off, store or leave at home.***

The reasons why GSSC and public schools across every state and territory have such policies in place is because we want students to switch off, so they are switched on at school. Here are useful links for those wanting more information:
